All qualified applicants will receive equal consideration for employment without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, or covered veteran status. Eligibility and other terms and conditions of employment benefits at The University of Tennessee are governed by laws and regulations of the State of Tennessee, and this non-discrimination statement is intended to be consistent with those laws and regulations. In accordance with the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, The University of Tennessee affirmatively states that it does not discriminate on the basis of race, sex, or disability in its education programs and activities, and this policy extends to employment by the University. Inquiries and charges of violation of Title VI (race, color, national origin), Title IX (sex), Section 504 (disability), ADA (disability), Age Discrimination in Employment Act (age), sexual orientation, or veteran status should be directed to the Office of Equity and Diversity (OED), 1840 Melrose Avenue, Knoxville, TN 37996-3560, telephone (865) 974-2498 (TTY available) or 974-2640. Requests for accommodation of a disability should be directed to the ADA Coordinator at the Office of Equity and Diversity. 11034/ PAN E01-4010-010-11
DSW in Clinical Practice & Leadership

The DSW online degree in clinical practice and leadership is a professional practice degree, preparing graduates for advanced clinical practice and leadership.

Geared toward working professionals, the DSW is an intensive accelerated program that enables students to satisfy all degree requirements in three years, without career disruption.

Applicants must have a Master’s in Social Work with at least two years of clinical practice experience or have an LCSW.

Graduates will

- be able to draw on a range of empirical, theoretical, and professional sources of knowledge, enabling them to assume leadership roles in the development of practice models and standards of care for diverse populations.
- generate client, system, and outcomes research to guide improvements in practice.
- be prepared in an evidence-based practice curriculum rich in state of the art interventions and leadership skills.

Courses will be taught online through synchronous and asynchronous models

- Real-time or asynchronous courses will make extensive use of interactive video and instructional media.
- Students will spend one week each summer on the UT Knoxville campus engaged in intensive knowledge and skills development.
